ORDER

(Order of the Court was made by P.SATHASIVAM, J.,)

We perused the grounds raised in the present review application.

2. It is not in dispute that the review applicant is not entitled to urge all the points that were projected before us when we heard the main writ petition. A perusal of the grounds mentioned in the review application show that the same are in verbatim as stated in the writ petition. Inasmuch as the contentions raised have been duly considered and a decision has been arrived at, if the petitioner still has any grievance, the same cannot be agitated by way of review application.

3. We find no ground for reviewing our order dated 06.11.2006. Accordingly, the review application is dismissed. No costs. Consequently, M.P.No.1 of 2006 is closed.
